Short-term Mission Program

Thank you for your interest in missions. I can imagine how important this is to you as it is to us here at Serve Africa.

To get you started, please find below some key information that will be helpful to you. Once you have reached a decision to go with us and have selected dates (or trip duration), please let us know by emailing us at info@servingafrica.org. This is not applicable to you if you have already signed up.

Costs of a Typical 10-14 Days Missions Trip to Liberia, West Africa

1. **Travel costs** (airfare & flight insurance) - 1,600.00
 2. **Travel Visa** (Liberian Visa) - \$150.00
 3. **Covid Tests** (upon arrival and departure) - \$150.00
 4. **Other Costs** (meals, transportation, lodging, service projects) - \$1,500.00
- All trips will include a combination of ministries and activities including but not limited to ministries to children (VBS), in-service teachers training, pastor's training, women's conferences, health education for girls, and service project opportunities.
 - No professional training is required.
 - Let us know if you are interested in providing a specialized program.
 - To ensure that you get the best available price on air tickets, we encourage you to register two months prior to the date of your trip.
 - Costs are estimations only. Airfare is approximately \$1,450 but could be more depending on booking time and travel season.
 - Costs do not include **Yellow Fever Vaccine and Malaria Preventive Care**.
 - Yellow Fever Vaccine is required for entry into Liberia. If you have taken Yellow Fever Vaccine, **you will need the yellow book for travel purpose**. Talk to your doctor if you think you need Yellow Fever Vaccine.
 - Malaria preventive care is not required but is strongly recommended. There are several kinds of preventive medicines for Malaria. Talk to your doctor about the option that is best for you.
 - We encouraged all travels to be booked through Serve Africa.
 - For anyone considering a long-term trip, please contact our office.
