

SERVE AFRICA

Empowering Children | Equipping Pastors

NOVEMBER
2018

Dear Friend,

Once again, we bring you greetings on behalf of the orphans, underprivileged kids, and village pastors we serve. Just so you know, your support continues to make indelible impacts on lives in Liberia. And for this, we are profoundly grateful.

UPDATES

100 Boys and Girls Happily Learning – with over 65% of the Liberian population living below \$1.25 a day, it is evident that orphans and underprivileged children would have no chance of acquiring education if they are not assisted. This is why we have come alongside them by providing educational opportunities. So far for this academic year, we have raised 25% of their fees. **The average tuition fee per child is \$150.00.** You can sponsor or co-sponsor a child.

Hope Center – roofing work at the Hope Center's first school building begins this month. Our goal is to complete the roof, furnish the building and get it ready for school by September 2019. Other furnishing details include electrical and plumbing installations; plastering of walls; installation of ceilings, doors, and windows; laying of floor; painting; and installation of chairs, desks, and chalkboards. The school will benefit orphans and impoverished children.

Christmas Gift - while most kids will receive a present and a healthy meal during this Christmas, there are many kids in Liberia who will not. Our goal for this Christmas is to provide clothes, toys, and a decent meal for each of our 100 kids. This is possible with a gift of \$20 per child. Would you kindly consider making a generous contribution?

A PRESSING NEED

Transportation remains our most pressing need during mission trips. The roads in Liberia are deplorable and it is difficult moving from one point to another. Besides, due to inflation in the country, car rental has risen high with a sedan costing at least \$100 per day plus gasoline. With a good vehicle of our own, we will save on car rental and travel with less difficulty during mission trips. We invite you to please consider partnering with us. **\$15,000 will cover purchase and shipping costs.**

OPPORTUNITIES TO MAKE AN IMPACT

- Sponsor or Cosponsor a Child/Orphan: \$250 yearly/\$25 monthly (feeding, scholarship, living expenses).
- Sponsor a Kid's Christmas Gift Package - \$20 towards food, toys, and clothes.
- Sponsor a Pastor – \$150 per training term (transportation, food, and lodging).
- Make a donation in support of our ongoing school project - \$5,000 needed to plaster, paint, and furnish.
- Make a contribution towards the costs of purchase and shipping of a minivan - \$15,000.
- Sign up for upcoming mission trip: **July 6-21, 2019.**

Your gift, however the size, will make eternal impacts on lives.
